

# **L<sup>A</sup>T<sub>E</sub>X** beamer template for Skoltech

Anton Lioznov

Skoltech

created at November 4, 2018

# Slide sample

with subtitle

---

So, we now have the  $\text{\LaTeX}$  template.

It was created using to look the same as pptx templates, included

- ▶ Green line to the left (color 'skoltechgreen')
  - ▶ Also green line below title
  - ▶ and green color for structure elements
- ▶ Gray color in the title page for title
  1. and gray color for frame titles and subtitles
- ▶ footer with the page number (except the title page) and Sk logo
- ▶ footnote (check below)

## developing

---

You are more than welcome to suggest comments and ideas for customization through

- ▶ <https://github.com/Lavton/SkoltechLaTeXtemplates>
- ▶ [anton.lioznov@skoltech.ru](mailto:anton.lioznov@skoltech.ru)
- ▶ [Lavton@gmail.com](mailto:Lavton@gmail.com)

as well as modify the template yourself.
